

PLEASE GIVE US ZERO DOLLARS

That's right, Dorflinger may be the first non-profit to ask you for Zero Dollars. You're thinking, "What's the catch? There's always a catch." For that, see below; but first, some background. (With apologies to Pete Seeger, The Byrds and Ecclesiastes)

♪ *To everything (turn, turn, turn)
There is a season (turn, turn, turn)
And a time to every purpose, under heaven*

From April to November, the Sanctuary has a lot of grass to mow, sometimes as many as 30 times per season. Maintaining our extensive property is our main purpose.

A time to build up, a time to break down ♪

That's where you come in. We need your help to 'build up.' Our current zero-turn lawn mower is on its last wheels. Replacing it will cost about \$15,000.

♪ *A time to dance, a time to mourn*

With your Zero Dollars we can replace our mower, meaning we'll have time to dance—even as we mourn the loss of a mower that has served us well for many years.

THE CATCH

If you'd like to help, choose the option below with the appropriate number of zeros for your gift. Add a number between 1 and 9 in the blank space. Fill out the information below and return it with your payment.
